Create your player ad to the correct size-

Adobe PDF preferred - You can use MS Word and Bobbie will attempt to convert the file to PDF.

- * You can use the attached blank PDF templates that are already sized correctly.
- * Copy and paste your images in the blank space
- * Add text by selecting the " Add Text" option and place it to fit your picture & template
- * **Save as PDF- File name should be Player Name-Team – e.g. Evan Crownfield-Varsity**
- * Please Email your ad to Bobbie Crownfield at bobbiecrownfield@gmail.com no later than 2/15/24!

Please note: 300 DPI resolution for all photos is recommended for best printing. **Bobbie cannot fix the quality of your photo(s) and will not be held responsible if you choose a photo under 300 DPI resolution or if a picture is taken of a photo for use.** If you have any questions or concerns setting up files please contact Bobbie Crownfield at bobbiecrownfield@gmail.com or 714-350-7744 and she will do her best to assist.
