Create your player ad via Adobe PDF, if you must use MS Word, please do so and I will convert the file to PDF for you. Ads Due by 2/19/25 (no exceptions due to printer deadlines)

- Add your Photo(s)
- Resize image(s) to fit the template background by grabbing the corners of your photos and drag to fit. This will retain the photo dimensions, so your player doesn't get distorted. Make sure your PDF ad size is correct using the sizes above.
- Add text by selecting the " Add Text" option and place it to fit your picture & template
- Save as PDF - File name should be Player Name_Team - Sample- Alex Samples_JV**
- Please Email your ad to Marissa Campbell - marisa@caseashells.com
- Got Questions: 949-294-4848. Shannon will do her best to be available. She works full-time M-F, if you get her VM please allow a few hours for a response.

A few notes on submitting art:

Please provide page files in PDF format. If you used WORD format please send me the word document and I will convert it to PDF. When placing photos in a file use 300 DPI resolution if possible for best printing. Original RAW or TIFF photo files are best, but JPEG images will suffice if that's all you have. Marissa cannot fix the quality of your photo(s) and will not be held responsible if you chose a photo under 300 DPI resolution.
